

University of Duhok
College of Medicine
Duhok Medical Research Center (DMRC)

(Workshop Bulletin)
(How to Write and Publish a Scientific Article)

Monday 28/11/2016

Venue

Azadi Teaching Hospital/ Meeting Hall

Sponsored by

Prof. Dr. Qasim Hasso Abdulla (Dean, College of medicine, UoD)

Organized by

Dr. Ahmad Mohamed Salih (Head of DMRC Department)

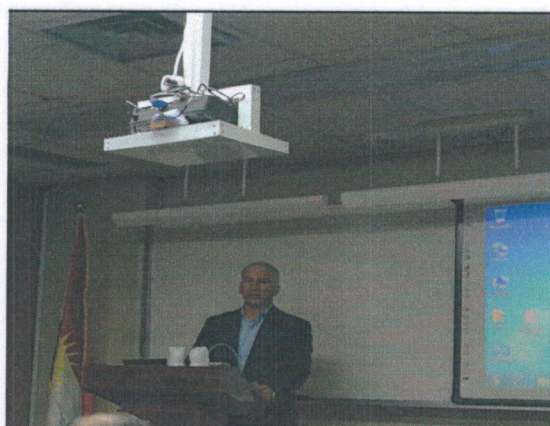

Assist. Lect. Soleen Sardar Zuhdi (Reporter of DMRC Department)

IT & Logistic Support

M.Sc. Haliz Saddeq Hasan

Dr. Aleen Sardar Zuhdi

No. of Participants and attendees: 50

(Opening & welcoming speech of the dean)

(Participants & attendees)

Time Table:

Speaker	Topic	Time
Dr. Aleen Sardar Zuhdi	Welcoming	09:30 – 09:35
Dr. Qasim Hasso Abdulla, The dean of the Medical College	Opening and welcoming speech on behalf of the medical college	09:35 – 09:45
Dr. Ahmad Mohamed Salih, Head, DMRC	Introduction about DMRC	9:45 – 10:00
Dr. Qayser Sahib Habeeb, Professor in Community Medicine	How to write a scientific article	10:00 – 10:45
-----	Coffee Break	10:45 – 11:15
Dr. Qayser Sahib Habeeb Professor in Community Medicine	Research miss-conduct	11:15 – 12:00
Dr. Adel Taleb Mohammed, Head, Dept of Microbiology	How to Write a Thesis	12:00 – 12:45
M.Sc. Soleen Sradar Zuhdi	Closing and thanks giving	12:45 – 12:20

- Moreover, initial and later funding for the basic requirements was quite restricted, allowing the establishment of just a basic structure molecular laboratory

- **Researches & Publications (since the starting till 2015)**
- Zhihua Jiang Z, Luo H, Huang S,.....,Al-Allawi NAS,.....Chui DHK. The genetic basis of asymptomatic codon 8 frame-shift (HBB:c25_26delAA) β -thalassaemia homozygotes. *Brit. J Haematol*2016;Epub13 JAN 2016. DOI: 10.1111/bjh.13909. (5yr IF 4.95)
- 2. Al-AllawiNA, Badi AJ, Goran MA, Nerweyi FF, Ballo HM, Al-MzuryNT.The Contributions of Thrombophilic Mutations to Genetic Susceptibility to Deep Venous Thrombosis in Iraqi Patients. *Genet Test Mol Biomarkers*. 2015; 19(9):500-4 (5 yr IF 1.34)
- 3. Al-MousawiMMN, Al-Allawi NAS, AlnaqshabandiR. Predictors of Red Cell Alloimmunization in Kurdish Multi Transfused Patients with Hemoglobinopathies in Iraq. *Hemoglobin* 2015 39(6):423-6. (5 yr IF 1.06)
- 4. Shamoan RP, Al-Allawi NA, Cappellini MD, Pierro E, Brancaloneoni V, Granata F. Molecular Basis of β -thalassaemia intermedia in Erbil Province of Iraqi Kurdistan. *Hemoglobin* 2015; issue 3; vol 39; 178-83 (5 year IF 1.06)
- 5. Eissa AA, Kashmoola MA, Atroshi SD, Al-AllawiNA. Molecular characterization of β -thalassaemia in Nineveh province illustrates the relative heterogeneity of Mutation Distributions in Northern Iraq. *Indian J Hematology and Blood Transfusion* 2015 Jun; issue 2; vol 31; 213-7.(5 year IF 0.39)
- 6. Al-Allawi NA, Puehringwe H, Raheem RA, Oberkanins C. Genetic Modifiers in β -thalassaemia intermedia: A study on 102 Iraqi Arab patients. *Genet Test Mol Biomarkers* 2015 May; issue 5 : volume 19: 242-7 (5 year IF 1.34).

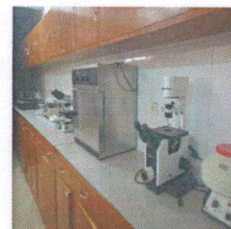

Three units are added in 2016:

1- Genotoxicity Unit:
(DNA damage studies, Comet assay) Running by: Dr. Hishyar Azo

2- Molecular Biology & PCR Unit:
Running by Dr. Aleen Sardar Zuhdi

3- Tissue Culture Unit:
Running by Miss Haliz Saddiq

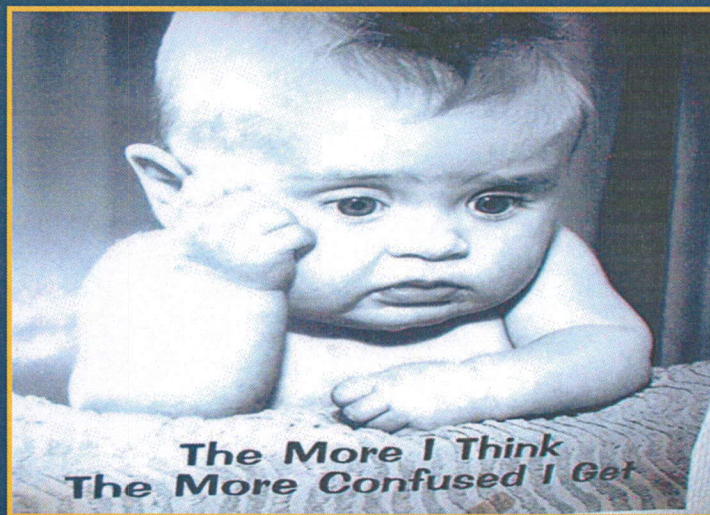

Seminar #2: How to write a scientific article
Speaker : Dr. Qayser Sahib Habeeb
Professor in Community Medicine

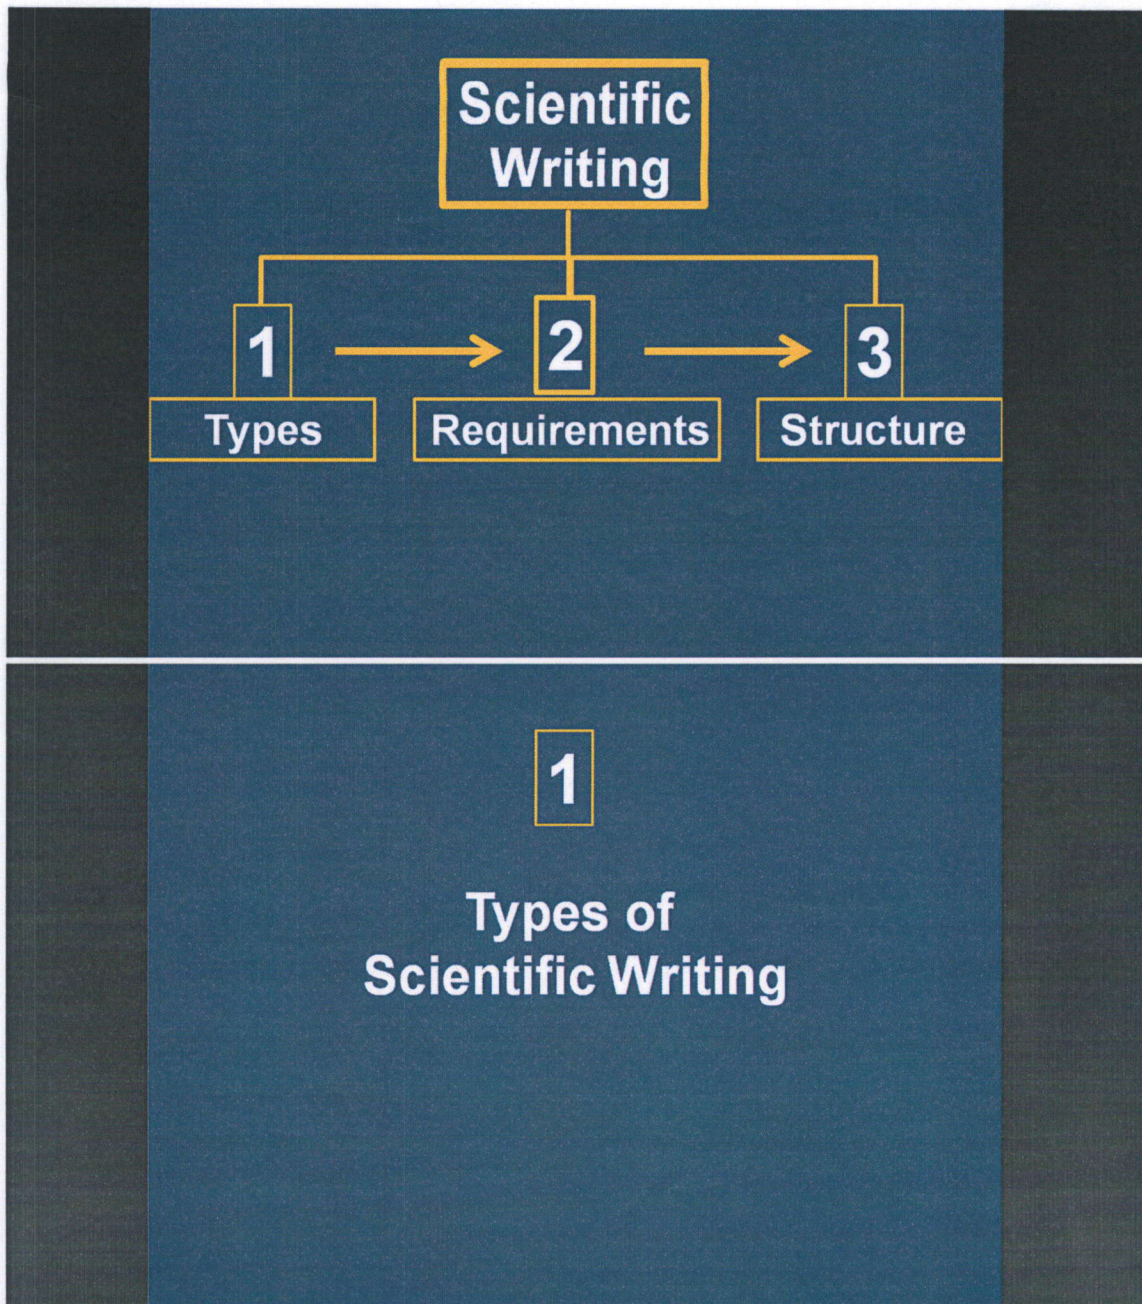

How to Write a Research Paper

Professor
Qayser Sahib Al Habeeb

Specialist in
Internal and Community Medicine
Department of Family and Community Medicine
College of Medicine / University of Duhok

Where Do We Begin?

Seminar #3: Research miss-conduct

Speaker : Dr. Qayser Sahib Habeeb

Professor in Community Medicine

Seminar #4: How to Write a Thesis

Speaker : Dr. Adel Taleb Mohammed

Head, Dept of Microbiology

Guidelines for Writing High Diploma, M.Sc. and Ph.D. Theses

University of Duhok

Thesis structure

It is contain the following terms:

- Thesis title page
- Certificate of the Supervisor, Names and -
Signatures of Linguistic and Scientific
evaluators, Forwarding of Head of Department
and Director of Postgraduate Studies, Name
and Signature of the Dean of the College.
- Certification of the examining committee
- Dedication (optional)
- Acknowledgements

Thesis structure (Cont.)

- Summary
- Table of contents
- List of tables
- List of figures
- List of abbreviations
- Introduction
- Literature review
- Materials and Methods
- Results
- Discussion

Thesis structure (Cont.)

- References
- Appendices
- Summary in Arabic and Kurdish languages

N.B.: Write each section or chapter in a new page.

Seminar #1: Introduction about DMRC

Speaker : Dr. Ahmad Mohamed Salih
Head, DMRC

University of Duhok
College of Medicine

Dr. Ahmed Mohamed Salih
Head, DMRC

College of Medicine

- DMRC was established in Nov 2011, in the faculty of medical sciences (FMS) at that time named as Scientific Research Center (SRC), with one Branch (Hematology Research Center),

- It has been equipped and installed and started functioning with kind and appreciated efforts of (Prof. Nassir Allawi) and his team, in February 2012, with an allocated instillation budget of 20 thousand USD by the university president.
