University of Duhok-College of pharmacy/department of medicinal chemistry

Demonstrator

- Supporting the university students for explaining the chemical practical lessons.
- Reviewing the test results for examination.
- Supporting in the interim researches and representations.
- Managing the medicinal chemistry and analytical chemistry and biochemistry lab tests.
- attending a scientific workshop and seminars.

2015-2019

Duhok polytechnic university-Shekhan Technical College of Health/Medical laboratory technology

Demonstrator

- Supporting the university students for explaining the chemical practical lessons.
- Reviewing the test results for examination.
- Supporting in the interim researches and representations.
- Managing the biochemistry lab test.

2015-2016

Amad Preparatory School, Duhok

Chemist teacher

- Taught Chemistry and Chemical Biology to 100+ students of 10-11th grades.
- Prepared comprehensive lesson plans based on the updated curriculum from the kurdistan Department of Education.
- Created interactive presentations.
- Implemented lab activities based on scientific methodology and real life chemistry application.
- Fostered a positive learning environment by incorporating team building activities and positive reinforcement techniques.
- Focused on ensuring social and emotional development of adolescent students; cooperated closely with the school psychologist

2014-2015

Hivi hospital. Laboratory, Duhok

Lab training

- Planning and organising work in biochemistry laboratories, much of which is automated and computer assisted.
- Carrying out complex biochemical analyses on specimens of body fluids and tissues, using spectrophotometry, mass spectroscopy, high performance chromatography, electrophoresis, immunoassay and, increasingly, molecular biological techniques.

Education

❖ 2014-2015

University of Duhok/ kurdistan. Iraq.

Bachelor) degree of chemistry science with V.good grade (80% _ 90%)

❖ 2010-2011

Mazi typical high school.Duhok

High school

❖ 2007-2008

Khanzad secondary school.Duhok

Secondary school

❖ 2004-2005

Siyana typical primary school.Duhok

Primary school
