ERASMUS+ ICM MOBILITY PROJECT BETWEEN UNIVERSITY OF GLASGOW AND UNIVERSITY OF DUHOK.

University of Glasgow

Glasgow Art Gallery & Museum.

The activities are as follows:

- I have been hosted by Professor Marian Scott for my visit at School of Mathematics and Statistics, University of Glasgow and discussed the possibilities for research collaboration, on how to apply statistical processes for scientific research on Lead Pollution in Duhok Governorate. There I have presented my seminar on Lead Pollution in Duhok Governorate and it was attended by Professor Marian Scott. I have discussed with Professor Scott the data as well as the results of a scientific research conducted on the workers at Kasy Waste Factory in the province of Duhok. We have agreed to conduct future research collaboration on lead pollution at Duhok Governorate.
