

Curriculum Vitae

Name: *Heevi Ameen Rajab*

Address: *Iraq, Kurdistan region, Duhok*

Nationality: *Kurdish*

Date and Place of Birth: *25/12/1974 Duhok*

Marital State: *Married*

Email:

heeviamen@gmail.com

heevi.rajab@uod.ac

Tel: *00967504577542*

Languages: *Kurdish, English and Arabic (reading and writing)*

Education:

- 1993- 1994 to 1996- 1997 student in College of Science, University of Salahaddin, Hawler, Chemistry Department.
- 2006- 2007 (Diploma one year in Chemistry) student in College of Education, University of Duhok.
- 2009- 2011(M.Sc. in Clinical Biochemistry) student in College of Medicine, University of Duhok.
- On 11/12/2011, I obtained the scientific title Assistant Lecturer according to resolution No. 1825 of 12/ 21/ 2011.
- March 2012, Teaching Methods Certificate from Training &Development Center.
- On 19/8/2019, promotion to the rank of Teacher , No. 2816.....10/3/2020.

Office Mailing Address:

Department of Medical Chemistry, College of Medicine, University of Duhok,
Duhok- Iraq

Scientific Position: Lecturer in Clinical Bio Chemistry

Present Position:

- 2018 and up to three years as a Tutor of six number of medical students in Personal & Professional Development Program, College of Medicine, University of Duhok.
- 2018 as a member in Molecules, Genes and Disease Module in College of Medicine, University of Duhok.
- 2019 member in Personal & Professional Development Program, College of Medicine, University of Duhok

Previous Position:

- Since 1998 Clinical Biochemistry Member, College of Medicine, University of Duhok.
- Worked as a member of the Examination committee for three years, College of Medicine, University of Duhok.
- 2015-2016 Worked as a reporter in the Medicinal Chemistry Department at the College of Pharmacy for one year, University of Duhok.
- 2015- 2016 Chairman of the Audit Committee for the second course, College of Pharmacy, University of Duhok.

Work History:

- 2015 (Practical Clinical Chemistry Training for fourth class- students from the College of Health Sciences at the Emergency Hospital, Duhok.
- Since 2015, placement for two days per week in an emergency hospital in Duhok.
- 2005, I worked in Civil Society Organization in Duhok.

Teaching and Training:

- Teaching General and Bio Chemistry practical for first class in College of Medicine, University of Duhok.
- Teaching Practical Biochemistry for third class in College of Pharmacy, University of Duhok.
- Teaching General and Bio Chemistry Practical for first class in College of Health Sciences/ Analytical Laboratory Department, University of Duhok.
- Teaching General and Bio Chemistry Practical for first class in College of Health Sciences/ Anesthesia Department, University of Duhok.
- Teaching General and Bio Chemistry practical for first class in College of Dentists, University of Duhok.
- Teaching Clinical Chemistry Practical for fourth class in College of Health Sciences/ Analytical Laboratory Department
- Teaching Clinical Chemistry Practical for five class in College of Pharmacy University of Duhok.
- Teaching Molecules, Genes and Disease in College of Medicine, University of Duhok, since 2018-2019.First Year Students.

Other experience:

- Deliver Research Titled (SERUM PROTEIN PENTOSIDINE LEVELS AMONG OFFSPRING OF INDIVIDUALS WITH TYPE 2 DIABETES MELLITUS) in Second Scientific Conference/ Sep. 19th- 20th 2012 – Faculty of Medical Sciences, University of Duhok.
- From 14/2/1998 to 24/2/1998 participate in the documentary session and the warehouse inventory, in College of Administration & Economics, University of Duhok.
- Teaching advanced Clinical Chemistry for fourth class in college of Duhok Polytechnic University, Shekhan Technical College of Health Medical Lab. Technology.
- Teaching General and Biochemistry practical for first class of Ararat Private Technical Institute, Pharmacy Department.
- Teaching Clinical Chemistry Theory & Practical for second class of Duhok Polytechnic University Duhok Technical Institute, Department: Medical Lab. Technology.

Workshops, Symposium and other activities:

1. Teaching Quality Assurance Workshop on 16 may 2016, College of Pharmacy, University of Duhok.
2. Choose and Write Research's References: Workshop on 25 April 2016, College of Pharmacy, University of Duhok.
3. Study Design and Sampling Methods: Workshop on 27 February 2017, College of Pharmacy, University of Duhok.
4. 2nd International Conference of the College of Engineering, University of Duhok: Recent Innovations in Engineering 26th- 27th APRIL 2017.
5. HOMEMADE Cough Syrup: Workshop on 17 may 2017, College of Pharmacy, University of Duhok.
6. Common errors in Writings of Medical Staff: Solving Problem: Workshop, on April 16th 2018, Medicinal Chemistry, College of Pharmacy, University of Duhok.
7. First International Conference on Medical Education, College of Medicine/ university of Duhok in coordination with University of Kufa and University of Leicester, October 6th- 7th, 2018.

8. 2nd Endocrinology, Lipids and Vascular Conference 17th- 18th January, 2019 Approved by Royal College of Physicians- UK for 12 CPD points (Code 122878) Endorsed by Heart UK and International Atherosclerosis Society.
9. Training Workshop for Medical Education via innovative e Technology/ MediTec, January 8-9, 2020. Capacity Building in the Field of Higher Education. Project No: 585980-EPP-1-DE=CBHE=JP.
10. Successful Completion of COVID19: Prevention, Detection and Control) Online Course this course was supervised by Dr. Chalak Muhedin Noori 4/7/2020- 11/7/2020 which is prepared by Zingy Organization for Health & Services.
11. Successfully completing the Electro Cardio Graph online course from July 18, 2020-July 23, 2020 which is prepared by Hope for all Organization.
12. Successfully completing the (Common Disease) online course from (August 15, 2020 – August 20, 2020) which is prepared by Best Medical Aid Organization, Hope for all Organization.
13. Successfully completed an online (ALLERGY & PATHOLOGY IN STOOL AND URINE) course with the result of (EXCELLENT), the course was running by both (Guide Organization for Education and Development) and (English Kurdish Academy for Education and Training) for 4 weeks from 17th of July to 17st of August, 2020.
14. Successfully completing an online course about (HEMATOLOGY), the course was running for 2 weeks from 9/8/2020 TO 20/8/2020 (Guide Organization for Education and Development). Awarded this with the result of very good.
15. Successfully completed 77- hours of online medical course about Laboratory tests with K.M.S.O (Kurdistan Medical Science Organization) from August 20 to September 28 of 2020. The online course includes studies in the following subjects – Chemistry- Hormonal test- Microbiology/ Techniques- Serology- Vitamins- Hematology.

16. Successfully completing the Pharmacology online course from (December 29, 2020- January 7, 2021) which is prepared by Hope for all Organization.
17. Certificate awarded for attending the Workshop (Accreditation of Medical College) arranged by the college of medicine, at the 6th of January 2022 at Duhok University Conference Center.
18. Certificate of Participation in the Workshop (How to Conduct a Research) that held under the Patronage of College of Medicine, University of Duhok in Collaboration with IFMSA – Kurdistan during the period 25-26/ July/ 2022. Venue: Central Library University.
19. Certificate of Attendance in Scientific International Symposium entitled: The Genome of SARS- COV-2, its evolution, epidemiology and situation update. Organized by: UOD-COVID-19 Center for Research and Diagnosis, count with the participation of the Andersen Lab from the Scripps Research Institute- USA.....1ST December 2022 Duhok, Kurdistan Region , IRAQ
20. Certificate of attended the Medical Education Department Workshop under the Title (Large Group Learning) that was held in Students Center at 2nd of Feb. 2023. Venue : Duhok University / Student Center.

Heevi Ameen Rajab
Lecturer in Clinical Chemistry
College of Medicine
