

1. Name: Amer Abdalla Goreal

Address: College of Medicine
University of Duhok

1.1 Personal Data:

Gender: Male

Marital Status: Married

Date of Birth 5-03-1964

Citizenship: Iraqi

Email: amer.goreal@uod.ac

Phone NO. 07507315475

Language proficiency: Arabic, English

2. Academic Qualifications:	University	Date	Area of Certification
Degree Certification Iraqi Board of Medical specialties	Baghdad University	2005	Medical Microbiology & Immunology
M.Sc.	AlMustansiriyah University, Baghdad Iraq	1996	Medical Microbiology
M.B.Ch.B..	AlMustansiriyah University, Baghdad, Iraq	1988	Bachelor degree in medicine and surgery

Present Post: Assistant Prof. of Microbiology/virology, Department of Medical Microbiology, college of medicine, Duhok university.

The academic responsibilities include:

Teaching Undergraduate students of Colleges of Medicine, Dentistry, Pharmacy, and Health Sciences within the University of Duhok lectures in Microbiology/ Virology, theory and practical laboratory aspects.

Giving lectures to M.Sc. Ph.D. and Board students in Microbiology/virology.

Supervision of MSc, PhD. students in implementation of their researches, I have supervised eight MSc, and two PhD. students.

M.Sc. Researches Supervision:

1. 2010

1. Detection of hepatitis B-viral markers and DNA in sera of chronic carriers in Duhok

2. Diagnosis of infectious bronchitis disease in broiler chickens by serological test(ELISA) and RT_PCR in Duhok 2011

3. Detection of *Helicobacter pylori* Virulence Factor Genes in Gastric Biopsies by a Conventional Polymerase Chain Reaction 2012

4. Genotyping of Hepatitis B virus by (PCR) among chronic Carriers 2012

5. Human papilloma virus genotyping among different cervical pap smears, A molecular study 2016

6. Incidence of SARS-CoV-2 infection among suspected adults attending Covid 19 Center in Duhok: A molecular study.
2022

7. Impact of SARS-CoV2 RNA titer on the level of IgG antibodies in recovered patients with COVID 19 disease.
2023

8. Prevalence of CMV infection among pregnant women with cord blood examination.
2023

PhD. Supervision:

1. Genotyping of human papillomaviruses extracted from cervical lesions in Duhok–Iraq.
2022

2. Prevalence and Molecular Characterization of Hepatitis A Virus in Duhok Province – Iraq.
2022

-My M.Sc. research: Prevalence of Hepatitis C virus and Human Immunodeficiency Virus Infection in Pregnant Women and perinatal Transmission. Supervised by Dr. Nawal yousif Aljanabi

-My Board research: Diagnosis of human Cytomegalovirus infection in Renal Transplant Recipient.
Supervised by Dr. Faiza A. Mukhlis
